Legislative Meet

BEAUMONT, Tex., Dec. 2—(R)

The governor and lieutenat governor of Texas disagree on the question of calling a special session of the legislature.

Gov. Beauford H. Jestar, last them to come to the surface of the

The project was under the su-pervision of Ed Rittersbacher, city commissioner and chairman of the

The first inhabitants of the lake

The first inhabitants of the lake to be affected by the chemicals were minnows, followed by shad and then larger fish.

Rittersbacher said that the operation was carried out on a permit from the Texas Fish, Game and Oyster Commission, and stressed that such a project was illegal unless under a permit.

It is the plan of the Country Club authorities to re-stock the lake according to specifications and recommendations from the state commission, but will wait until rains have replenished the water supply. Many members and others interested were at the lake during the afternoon, employing small nets, gigs, etc., to secure the prizes.

The largest fish landed was a 55-pound catfish, with 11 other big ones. There were about 25 big bass, headed by one that tips the scales at 9 1-4 pounds.

Three bass, including the big one, were exhibited at the county of the council at the county of the council are a project to the council and will not be delayed until her political future was settled.

It is the plan of the Country Club authorities to re-stock the lake according to specifications and recommission, but will wait until rains have replenished the water supply.

Many members and others interested were at the lake during the afternoon, employing small nets, gigs, etc., to secure the prizes. The largest fish landed was a 55-pound catfish, with 11 other big ones. There were about 25 big bass, headed by one that tips the scales at 9 1-4 pounds.

Three bass, including the big one, were exhibited at the county jail Thursday morning by Rittersbacher and E. W. Ellis, weighing 23 pounds. One was 6 1-2 pounds and another weighed 7 1-4 pounds. "It appears that the big bass and big catfish had eaten most of the other kinds," Rittersbacher commented after saying that there were few middle-sized fish of any type secured in the operation. Lots of small fish were found on top of the water, with an unusually large amount of shad.

By The Associated Press. The Chinese Communists laid claim tonight to Suchow, important government base 211 miles northwest of Nanking. Growing a Beard

From where I sit ... by Joe Marsh

That beard on Dutch Miller's Thin doesn't mean that he's getting Foody to play Santa Claus. He's simply paying of the election bet he lest to Cappy Swanson.

And while some folks allow it's all a lot of nonsense - like the wheelbarrow ride that Cappy had day-from where I sit, it's a mighty wholescene aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty periously. But when the issue's

dangerously close to winning in Ranger recently.

The best Ranger runner is their fullback, Ford, who is a 178-pound boy with plenty of drive. As is the, custom of teams that can either pass or run, Arterburn spreads the defense with his passes, and Ford rams the line, That has been just the kind of game Navarro has played all year, and it has paid off.

Tomorrow's contest should show just who is the best at that type of game.

If Navarro's line can stop Ford's plunges and rush Arterburn's passifing, the Bulldogs will stand a much better chance of coming out on the long end of the score, Probable Starters

Six New Drugs For High Blood

Pressure Ready

By HOWARD W. BLAKESLEE
Associated Press Science Editor
ST. LOUIS, Dec. 2.—(P)—There are six new drugs for high blood pressure, but take it from the Am-erican Medical Association—sere-nity of mind and spirit is still the best treatment. This estimate of what's best was

given by Dr. Irvine H. Page of the Cleveland Clinic Foundation at a symposia held by the Association at its winter meeting.

tion at its winter meeting.

New drugs:

Kidney extract has shown enco...aging results on high pressure, but there is trouble making extracts that work.

Pyrogen, extracted from tuberculosis germs, causes some relief in about half the persons with malignant high blood pressure.

Malignant is a little-understood kind that comes on fast and kills quickly. This germ product reduces bleeding, reduces nerve swelling in eyes and reduces oversized hearts. It doesn't cure.

A grain fungus furnished a drug named dihydroergocornine which Dr. Page said lowers pressure in

Dr. Page said lowers pressure in some persons.

The plant, green hellebore, gives veratrumviride, which works like grain extract. But both are errac-

grain extract. But both are erractic.

There is a whole legion of others, said Dr. Page, such as vitamins A and B, but none has been proved. A new rice diet announced Dibernamine reduces pressure sometimes by an action on nerves similar to that from surgical operations called supports

ations called sympathectomy.
Rutin, taken from buckwheat, is in wide use, but results still are

A short business meeting was held in which Mrs. A. G. God-ley's resignation as publicity chairman was accepted and Mrs. H. H. special prayer by Mrs. Hanks.

Engineers Tell

Corsicana residents might help in rushing authorization for construction of the Chambers Creek and Richland Creen reservoirs, members of the Corsicana Rotary Club were told Wednesday at their regular luncheon by an official of the Trinity Improvement Assn.

The speaker was F. L. Park of Sociation.

The speaker was F. L. Park of sociation.

The speaker was F. L. Park of sociation. Fort Worth, engineer with the association. He was accompanied here by his brother, Don Park of Dallas.

Using wall-size maps. Park illustrated the long range Trinity flood control project, pointing out the two reservoirs on two sides of this city. Should Meet With Engineers

Should Meet With Engineers
He suggested if more speed in getting the reservoirs started is desired. Corsicana representatives should meet with the Army Engineers in Fort Worth with their reasons.
He made the statement after Pied V. Blucher, city engineer, May asked how the project could be nushed forward, stating Lake Halbert is silting badly, and this city bert is silting badly, and this city upplies.
Park told the group that it is hoped to have the two projects Dec.

supplies.

Park told the group that it is hoped to have the two projects hoped to have the two projects placed in the next report to congress of the Army Engineers. He pointed out that communities can share in benefits of stored water by two methods—contributing to the cost of constructions.

He pointed out that communities can share in benefits of stored water by two methods—contributing to the cost of construction, or paying for the water after the government erects the dams.

"There is no doubt but what the Trinity project is to be done," And the estimated cost authorized is \$150,000,000. It will require five years to build the bulk of it. 10 years for some of it."

The speaker introduced by Elliot Middleton, said the entire program is threefold—to control storm runoff water, to save it, to utilize it after it is saved.

Chanization and navigation, although more romantic and receiving most of the publicity, come last on the list, he said.

"It is federal law," he said, "that Discussing the entire Trinity program from tip to tip, he said Chicago Livestock.

Railroad Man **Held Following Auto Accident**

John T. Post, Tyler railroad man, was released Thursday morning on \$750 bond on a driving while intoxicated complaint. The complaint was accepted by Seton T. Holsey, assistant county attorney, signed by Joe W. Allen, constable, and was filed before Judge A. E. Foster, who set the ball. The accused man was arrested Wednesday night by city police and was transferred to the constable.

Dorothy Melton, 15, was treated for bruises at the P. and S. Hos-New York Cotton Table

Grains Stumble
CHICAGO, Dec. 2.—(R)—Grains stumbled late in the session on the Board of Trade today after displaying early strength, Gains at one time ran to as much as 5 cents in soybeans, but they were sharply reduced or wiped out later. Dealings were active.

Strength early was based on salos of flour to the army, rumors of some export business in soybeans and government buying of rye over the past two days. The late down turn came about when profittaking and hedging pressure increased, when the closed 5.8 lower to 5.8 likher, December \$2.40 5.8 3.4, corn was 1.8 to i cent lower, December \$1.43 7.8 3.4, oats BRING your Furs to us for a better deal.
